TEXT:

Outside the scope of VAT

We hereby certify this invoice to be true and correct and in accordance with our books, also that the goods originate in the European Community. These proceeds are for our own account and are not accredited to the account of any destination or foreign organisation.

We deliver under the following reservation of Property-Rights of ownership:

The goods remain our property until such time as the price has been paid in full and all additional claims settled. It is not permitted for a third party to seize the goods or to hold them as security. Should a third party attempt to seize the goods or interfere in any other way he must be made aware of our ownership and we must be informed immediately. We certify that this invoice is authentic and that it is the only one issued by us for the goods mentioned therein.

Please kindly wire transfer the above amount to the following account:
